ABOUT US

For Over Two Decades, **DPDIMPEX** Has Been Weaving Stories Of Excellence In Home Textiles. Founded In 2002 In Karur, We've Grown From A Local Textile House To A Leading Exporter Of Premium Home Textiles, Combining Traditional Craftsmanship With Contemporary Design Sensibilities.

OUR EVOLUTION

"What Began In The Textile Hub Of Karur, Renowned For Its Rich Heritage In Handloom And Textiles, Has Flourished Into A Thriving Network Across Strategic Locations In India. Our Expansion Into Delhi NCR, A Bustling Trade And Design Hub, And Panipat, Known As The 'City Of Weavers,' Has Allowed Us To Tap Into Diverse Resources And Expertise. These Locations Are Not Just Operational Centers But Also Pivotal In Understanding And Catering To The Unique Demands Of Global Markets
